THE PAINTED TURTLE

OUTPOST

DELIVERING THE MAGIC OF CAMP!

Outpost is endowed by the
Margie & Robert E. Petersen Foundation

**Welcome to
Camp!**

**¡Bienvenidos al
Campamento!**

**The Painted Turtle works
hard to be a STAR every day.**

**You can learn how to be a
STAR in this activity book!**

The "S" in STAR stands for Stay Safe!

See if you can find a safe path through the turtle maze!

The “T” in STAR stands for Try New Things!

At camp we play all sorts of games from basketball and capture the flag to checkers. Find a friend and play a few games of tic-tac-toe. Remember, the first person to get three X’s or O’s in a row wins!

The A in STAR stands for Always Build Up!

That means building people up by saying nice things to them that make them feel good about themselves. Play "Build Up Bingo" by following the instructions in the boxes below.

Once you find someone to answer the question have them sign their name in the box. When you have five in row in any direction you have a BINGO! Be sure to "build" that person up by saying something kind to them after they give you the answer.

The R in STAR stands for Respect Yourself & The Environment!

We can respect all kinds of things like ourselves, our families, our friends and nature! One way to respect nature is by leaving animals in their natural habitat or homes. Can you match each animal with their homes?

Ex: A whale's natural habitat or home is in the ocean!
