From Our CEO

The loud and proud call to action in 2022 was “Come Together.” Come together for Painted Turtle campers with serious illnesses, for their families, for siblings, for volunteers, for staff, and for the entire Painted Turtle community. We needed everyone and the community did not disappoint.

So much joy and excitement surrounded our return to Family Weekends, overnight Summer Sessions, and in-person hospital visits, while our virtual opportunities remained available for those who needed them. As we took another step closer on the path to serving as many children with serious illnesses as possible, safety standards were at an all-time high. We took time to make much-needed improvements to Camp’s physical site, and as always, there was no limit to the fun!

Every time campers, families, and volunteers convene, “camp magic” happens, and 2022 truly brought us closer together. The “magic” is manifested by courageous and curious campers, nurtured by talented and dedicated staff and volunteers, and backed by committed and generous supporters who ensure every year that the gift of Camp is always free of charge. While much is done behind the scenes, campers are the daily stars as they light up every corner of Camp with awesome adventures like hitting a bullseye at archery, fantastic firsts like kissing and releasing a fish, and infectious independence as they navigate the high ropes course with confidence.

I’m proud of The Painted Turtle’s commitment to providing safe, intentional, and adaptive camp programming to children with serious medical conditions and their families. In total, virtual, on-site, and Outpost hospital programs in 2022 served 35,157 children and family members, the highest number since we opened our gates in 2004! Our summer sessions showed us hundreds of smiles, with endless laughter echoing within the trees, and the energy of a powerful camp experience that proves to the children we serve that anything is possible.

These possibilities and milestones are captured by input and feedback through program and impact evaluations. Our 2022 results showed the following and are a reminder of what the community can do:

93% of campers felt like they belonged in The Painted Turtle Camp community.

95% of campers felt like they were respected for who they are.

92% said that Camp made them feel confident about who they are.

With your partnership and support, we make this all possible. The Painted Turtle’s strong community continues to come together and invest in the power of Camp.

With deep appreciation,

Chris Butler
Chief Executive Officer

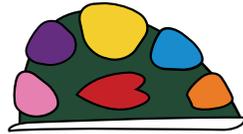

Our Mission & Core Values

The Painted Turtle seeks to reach beyond illness, to inspire children with life-threatening diseases to become their greater selves. It is our mission to provide a year-round, life-changing environment for these children and their families - one that allows children to participate in an authentic camp experience by supporting their medical needs and offers their families care, education, and respite. Camp is always 100% free of charge.

Core Values

The Painted Turtle is a symbol of our commitment to create a **community** that uplifts and empowers all who are a part. By leading with **heart**, we pursue our **vision** to foster a culture of **compassion** founded on a strong sense of **trust**. With that foundation, we have the **courage** to try new things and enjoy every present moment with immense **joy**.

Community

Work as a community to create impactful change.

Heart

Work with intention from the heart.

Vision

Strive towards a greater vision by pursuing growth, exhibiting leadership, and embracing the power of new ideas.

Compassion

Serve with compassion to foster a supportive and inclusive environment.

Trust

Build trust by acting with integrity, reliability, and mutual respect.

Courage

Embody courage: be bold, be creative, be our best selves.

Joy

Choose Joy.

Leadership

We are grateful for the vision provided by our dedicated Founders to make the dream of The Painted Turtle a reality. We thank our committed Board of Directors and key staff for guiding and protecting this vision—to provide a place where children living with a serious illness can just be kids!

Program Feature

Welcoming Campers Back “Home” While Reaching Children Across the State

The Painted Turtle’s commitment to providing safe, intentional, and adaptive camp programming to children with serious medical conditions was stronger than ever in 2022. While we successfully welcomed campers back to in-person Camp at 50% capacity, we continued to bring the magic of Camp into camper homes for families who were not yet ready to return to in-person programming, and into hospitals for children who were hospitalized. In total, our on-site, virtual, and Outpost hospital programs served 35,157 children and family members, our highest number since we opened our gates in 2004! Thanks to the generosity of our donors, volunteers, and supporters, we increased our reach by 19% while continuing to ensure that The Painted Turtle, in all forms, is always free of charge.

783

In-Person Camper Experiences

We returned safely to in-person Camp at 50% capacity in 2022, while carefully navigating CDC and LA County COVID guidelines. In total, we delivered 783 camp experiences to children, siblings, and caregivers at our beautiful 173-acre Campsite, including our second Campamento para Familias, a Family Weekend conducted entirely in Spanish. Additionally, we served 29 Leaders-in-Training through a Spring Leadership Day and subsequent Summer Leadership Session. These programs are designed to teach camper alumni specific skills to prepare them to be future Painted Turtle Counselors, as well as tools to help them navigate the landscape of “emerging adulthood,” which can be especially challenging for those with a serious medical condition. With a continued focus on the emotional and physical safety of campers and volunteers, we reopened Camp with minimum disruption due to the lingering effects of the pandemic.

294

At Home Camper Experiences

We continued to provide virtual Camp at Home program options for children and families who were not ready to return to in-person Camp sessions in 2022, ensuring we stayed connected to our camper families throughout the year. Through two inclusive Cabin Chat programs welcoming children across all medical condition groups, Campers participated in fun activities online over six-week sessions during the Spring and Fall. A virtual Spring Family Weekend welcomed siblings and family members to experience the joy and magic of Camp from the safety and comfort of their own homes.

34,080

In-Hospital Camper Experiences

The Painted Turtle’s Outpost Program continued to deliver the joy of Camp to 20 hospitals and clinics across California, reaching 34,080 children and caregivers, an increase of +32% from 2021. As COVID restrictions relaxed, our team was able to resume in-person visits at several hospitals, including Children’s Hospital Los Angeles, UCLA Mattel Children’s Hospital, Miller Children’s Hospital, Kaiser Los Angeles Medical Center and Kaiser Fontana Medical Center, touching the hearts and spirits of children with serious illnesses at a time when they needed it most.

Outpost Highlights

2022 was an exciting year for the Outpost program, it brought the return of in-person hospital programming! Here's a message from a camper mom from our first visit back to UCLA Mattel Children's Hospital.

“ I just wanted to share how Outpost blessed us so much today. She is still in the step-down ICU at UCLA and today I was feeling very hopeless, especially about her long-term prognosis. We made an appointment to go to the playroom, only one patient at a time and I was so thrilled and happy to see your team there. she never spends time in the playroom doing crafts but they got her to sit there and make a frame for her dad for Father's Day. For me personally, it was so nice to see familiar faces that I have known for years, and tears welled up in my eyes. Anyway, this morning I prayed for a sign and just a little something to make it through the day and the Outpost team was an answer to prayer. Thank you! ”

Finding Friendship at Camp

One of the best things that can come from a shared Painted Turtle camp experience is the connections that are made. Whether the bond occurs over similar interests like an affinity for horses and their fashion, or because you finally found someone who gets what it means to navigate the world with a serious medical condition, watching a new friendship form at The Painted Turtle is truly a gift and something we are happy to report happens often.

During the Special Diagnoses Fall Family Weekend two young campers, Rain and Moana, quickly became great pals. The friendship seemed destined from the start, as the two families were assigned to share a cabin and a dining table for the weekend. A logistic that soon proved to be the perfect setting for friendship.

According to Rain and Moana's mothers, Valerie and Anela, the two girls had an instant connection from the start, which apparently is not typical for either of them. Both mothers shared that making new friends doesn't come easily for either of the girls, so this friendship came as a pleasant surprise to all of them. Valerie recalls pulling up to their cabin with Rain feeling wildly impatient. She was anxious to get out of the car because she had to meet this intriguing girl she saw standing outside their cabin. Anela shared that from the moment they said hello Moana was so taken by this firecracker of girl who burst out of the car and quickly rolled up to meet her. It only took a moment of chatting, and an instant connection was made.

Over the course of the weekend the two experienced a variety of activities together, from nervously taking on the challenge of the high ropes to quietly reading on their cabin porch. Perhaps one of the most delightful moments they shared was at the horse barn. They both decided to participate in a high fashion horse activity which involved dressing up the horses in costumes and parading them around the arena. Both girls were anxious to get to work and together they gave their horse several different makeovers, ensuring their horse was showing off all the latest fashions. Needless to say there were lots of giggles and smiles.

“ Rain loved finding a friend that she clicked with from the moment they met. It was a lovely reminder to us as parents that it's ok to have a kid who is selective in friendships. Trust your kid to wait to find the right matches because seeing those relationships develop will feel even sweeter. ”

– Valerie, Rain's Mother

As the final moments of the weekend approached Rain and Moana decided to create a “spirit stone” in arts and crafts, a painted rock to leave at Camp as a reminder of their time there. As they said their goodbyes, they carefully selected a spot outside their cabin to place the rocks.

Rain and Moana have stayed connected since leaving camp via letters and video calls even though they live in separate states. They both look forward to their first Summer Session where they will hopefully reunite and experience the excitement and independence of a weeklong Painted Turtle experience without their parents. Until then, each family shared that they count the days until they can return.

“ I have heard it said, that you can leave camp, but camp never really leaves you. ”

- Paul Newman, Co-Founder, The Painted Turtle

Corporate & Foundation Spotlight

In 2022, The Ahmanson Foundation partnered with The Painted Turtle to pave a path to our safe and successful future. With the Ahmanson Foundation's support, we were able to add three entirely new pathways leading to buildings and activity areas while also refurbishing the existing pathways, parking lots, and roads around Camp. Their generous gift guaranteed the fun and magic of The Painted Turtle continues to remain safe and accessible to all.

L.L. Foundation for Youth supported the return of the Leadership Program in 2022 following two years of pandemic-safe virtual programming. Leadership Campers gathered at Camp to learn leadership skills, begin developing their unique leadership styles, and explore themes of early adulthood, including life skills like how to write a resume.

Rite Aid's Healthy Futures Foundation funding supports a wide variety of essential areas, including camper diversity, summer staff diversity, medication and medical supplies, staff wellness, and a Family Weekend. In 2022, we welcomed four Summer Staff from Mexico, enhancing The Painted Turtle's ability to serve our community and the needs of camper families whose preferred language is Spanish.

A majority of our amazing summer nursing team were recruited with the generous assistance of our friends at Medical Solutions. Their hiring support and financial backing ensured The Painted Turtle Medical Team was fully staffed with highly qualified and experienced pediatric nursing professionals.

In the seventh year of consecutive giving, Takeda Pharmaceuticals continued its giving streak in support of Family Weekend programs and those with rare diseases with their sponsorship of The Painted Turtle's Special Diagnosis Family Weekend. Longstanding support of Family Weekends ensures camper families enjoy time together, respite, and long-lasting memories of time well spent together.

Summer Staff Story

Coming to The Painted Turtle, Together

Camila and Regina are two Summer Staff members who joined The Painted Turtle family in 2022, but their story is unique – they are sisters! Traveling all the way from Mexico, these two had what they describe as a “profoundly rewarding and life-changing experience.”

Camila got involved with the SeriousFun Children’s Network in 2019 at Roundup River Ranch in Colorado, but when applying for her second summer, the COVID-19 pandemic hit. Itching to get back to Camp as soon as she could in 2022, she wanted her sister and best friend to experience it with her. “My relationship with my sister is truly one of a kind. She’s my confidant, my partner in crime, and my support. There’s an unspoken understanding between us that goes beyond words. We celebrate each other’s successes with genuine enthusiasm and offer a shoulder to lean on during tough times. I cherish my sister’s presence in my life, knowing that this connection is a treasure that will last a lifetime.”

Together, they researched all the camps in the Serious Fun Children’s Network and decided to apply to The Painted Turtle. “Traveling with my sister is always an adventure filled with laughter and a deep sense of companionship. Every moment is a treasure, and that’s why I wanted to share a summer at The Painted Turtle with her. I wanted her to experience the magic of Camp and be able to experience the contagious laughter and silly dances- not just hear it from me!” says Camila. They were both hired as Cabin Counselors and made their way out to Lake Hughes, California.

Regina loved The Painted Turtle just as much, if not more, than she or her sister even imagined. “Working at The Painted Turtle has been one of the best experiences of my life. It’s my home far away - I feel like I can be myself, and all the memories there- the growth, the friendships, the campers- it’s magic.” She loved seeing campers feel free to be themselves, try new things, and create life-changing friendships like she has with her sister.

The pair had an amazing Summer full of laughter, compassion, and fun. Camila and Regina saw a new part of the world together, supported one another, and experienced the magic of The Painted Turtle together. “Camp is something that we will always make time for, whether as staff or volunteers, and we feel so grateful we were able to have this experience together.”

We are too!

2022 Site Improvements

Coming back to Camp!

A crowning moment in our 16-year partnership with Delta Zeta Sorority was the May 2022 opening of The Painted Turtle's Staff Lounge and Welcome Center, a facility underwritten entirely by this dedicated and generous women's group. Key national leaders and Southern California collegians from Delta Zeta gathered at Camp for our Grand Opening that included a ribbon cutting, lunch, Camp tour and Turtle Stuffing. We are "Truly" grateful for the women of Delta Zeta for the gift of this amazing new facility!

We had many site improvements at The Painted Turtle in 2022, as we prepared the grounds for our first weeklong in-person Summer Session since 2019! Most notably, we welcomed our ten-foot Marshmallow art piece near the campfire, designed by Norma Pizarro, a mixed media artist from San Diego.

"What we bring into our home becomes part of our being whether we are aware of this or not. The images we see daily become part of our subconscious, affecting our mood, and sometimes even redirecting our energy. I trust intuition to be my guide and the beauty and sacredness of nature to be my inspiration." - Norma Pizarro.

Thanks to the generosity of the Ahmanson Foundation (see page 11), we updated the asphalt that runs throughout Camp, and we added a new pathway around the Fishing Hole and Welcome Center.

The flooring and the shades in staff housing were replaced, allowing for safe and cheerful living quarters for our hard-working staff.

Lastly, we received ten new electric golf carts in 2022, thanks to the generosity of one of our wonderful Camp supporters, and we are now riding in comfort and style (and shade!) all year long.

The Painted Turtle Presents

Pickleball Tournament

Sunday, October 2nd, 2022

The Painted Turtle's first Pickleball Tournament was a smashing success! Held at The Riviera Country Club in the Pacific Palisades, 50 players gathered to raise funds for The Painted Turtle, ensuring Camp experiences will always remain free of charge for campers and their families. Pickleball players ranging from beginner and intermediate to advanced competed for seven prize-winning spots. During the tournament, six professional pickleball instructors were on hand to give pointers and teach beginners the basics of the game! Guests enjoyed food and beverages throughout the event and took home a goodie bag brimming with a personalized pickleball paddle from Short Court, treats from Trader Joe's, Core pickleballs, Jigsaw cocktails, Newman's Own products, Mosh Bars, Stranded Sanitizer, hats from the Pickleball Exchange and some Painted Turtle goodies! The event concluded with an energetic tie-breaking match between the top scorers! It was a wonderful event full of Painted Turtle fun and camaraderie. Special thanks to everyone who came out to play, to all our big winners, and of course to our sponsors, donors, and volunteers for making the event possible!

Ways to Get Involved

Volunteer

We are always looking for enthusiastic, hard-working, energetic, and kind volunteers. If you are at least 19 years old, you can apply online to volunteer at an upcoming session. Becoming a Program Volunteer is a wonderful opportunity to work directly with the incredible children and families we serve! We also have one-day Community Volunteer Days throughout the year.

Donate

The Painted Turtle is always free of charge to children and their families, thanks to the generosity of our broader community. All donations of any size directly benefit thousands of children and their families who take part in our programs.

Become a Monthly Donor

The Fireside Friends Monthly & Recurring Giving Program is one of the best ways to support The Painted Turtle. Recurring gifts offer a more sustainable and predictable source of funding allowing us to plan ahead to bring even more children to The Painted Turtle.

Gift-in-Kind Wish List

Our online Wish List is filled with items needed to successfully run our programs. We welcome your in-kind donations of supplies and products!

Get Active

Athletic fundraising events are great ways to build team spirit, support a healthy lifestyle, and share the mission of The Painted Turtle with friends and family. Challenge yourself to a full or half marathon, 5K, cycling course, golf event, or any other activity you love!

Corporate Sponsorship, Matching Gifts, and Grants

Did you know that many companies match their employees' volunteer hours or financial gifts with a corporate donation? Does your employer like to sponsor events or give grants to philanthropic organizations? Check with your HR department to see if your workplace participates in these initiatives.
