

Film, TV, Commercial & Photo Production

SITE SPEC SHEET

Location Overview

A private, production-ready 173-acre site in Lake Hughes, in the Angeles National Forest — northern Los Angeles County, approximately 1.5 hours from downtown Los Angeles. The property was designed by the architecture firm behind the Getty Center and offers a diverse mix of natural and built environments within a single, securable location.

TOTAL SITE SIZE

173 acres, privately held, gated

REGION

Lake Hughes / Angeles National Forest, northern LA County
(1.5 hrs from downtown LA)

ON-SITE GROUP CAPACITY

10 to 2,500+ guests

PRIOR PRODUCTIONS

Hulu's "Paradise", "Shooter", and other film/TV projects

Looks & Settings Available On-Site

Multiple distinct looks within one securable property:

- Lakes, waterfront, swamp, boathouse & docks
- Forest, western / rural landscapes, hills and mountains
- Cabin and residential settings
- Medical / clinical environment
- High ropes course, pool, arts & crafts, woodshop
- Large parking and staging lots
- Roads and paths
- Large open grass lawns and meadows
