

## Animal Hand & Foot Prints

Supplies needed: paint, paper, paint brushes, markers

4 years +

15+ Minutes

1+ People

Choose one of your hands or feet and an animal from above. Using different colors to make it as realistic or silly as you'd like, paint your hand like an animal then press it onto a sheet of paper. Add details (eyes, antenna, hooves, etc) with a marker after your paint dries. Got an idea for an animal or creature not pictured? Go for it, make a whole zoo from your hands and feet!
