

Bobble Head Turtle

Supplies: Attached Template, Markers/Crayons/Paint,
Scissors, Glue, Paper

School Age +

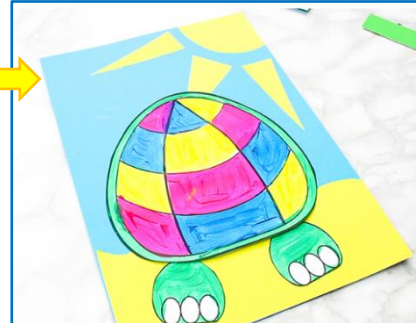

5+ Minutes

2+ People

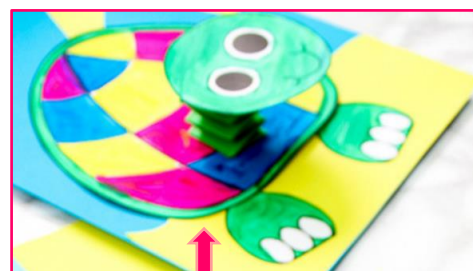

1. Print or trace the template from the next page.
2. Color and decorate your turtle's body parts then cut them out
3. Using a separate piece of paper, create a background for your turtle. Maybe a beach where it lives, a lake, or your bedroom, whatever you'd like!

4. Glue the turtle's shell and feet to your background

5. Using the scraps from your turtle body page or a new piece of paper, cut two strips from the short edge of the page. Glue the two strips together so they make a large 7

6. Accordion fold the two strips together. Fold the bottom strip over the top and crease along the edges, continue until all the paper has been folded. Seal the ends with glue.

7. Attach one end of your folded paper to the shell and the other end to the back of your turtle's head.
