### THE PAINTED TURTLE

### **WELCOME!**

#### Hello Campers and Families!

We are thrilled you are joining us for some camp fun from home this weekend. This summer's theme is *Imagine*, and we are looking forward to all that we can imagine with you over the next few days. Although this summer is going to look a little different than what we had imagined at the beginning of 2020, we hope you find the opportunity to make connections that will last until we can be at camp together in the future.

Included in your box, you will find everything you need to bring a little bit of The Painted Turtle magic into your home. Remember, like our dear friend Pun says, camp isn't just a physical location. Camp is the spirit, the friendships, and the fun we have together. Even though we are not onsite together we will re-imagine all the activity areas: fishing, horses, arts & crafts, wood shop, music, stage night, silly-O and even campfire.

Paul Newman imagined a place where kids could come together, just be kids, and have a lot of fun. His vision came true and now we are reimagining that idea to bring campers together from across California, and across the country, for virtual camp fun. Whether you're a first time camper, or a Painted Turtle veteran, we are excited to share this new style of camp with you!

We encourage you to embody the theme of *Imagine* this weekend, with your family, with The Painted Turtle, and with your community. We have a lot of fun, a lot of dancing, a lot of silliness, and a little bit of messiness planned for the weekend. Enjoy Camp at Home, and we will look forward to seeing you in Lake Hughes soon.

Camp Hugs and High Fives,
The Painted Turtle

### GOALS OF THE WEEKEND

What are 3 things your family wants to try this weekend?

### STAR MODEL

Camp has four basic rules called The **STAR** Model that we ask all campers and families to adhere to when participating in programs with The Painted Turtle. We will follow The **STAR** Model this weekend so that everyone has the best experience possible!

#### STAY SAFE!

We must all stay safe and follow our house rules at all times. Being safe together will allow us all to have a good time.

#### TRY NEW THINGS!

To have the best experience possible at The Painted Turtle, we encourage all campers and families to try something new.

#### ALWAYS BUILD UP NOT DOWN!

Having someone else put you down never feels good, so we do not do it at The Painted Turtle. Always be encouraging and thoughtful of others' feelings and take time to build them up.

#### RESPECT!

Always respect yourself, others, the property of others, and the environment in which we live. Treat other people the way you would want to be treated.

HOW WILL YOUR FAMILY PRACTICE THE STAR MODEL THIS WEEKEND?

### **TPT CORE VALUES**

The Painted Turtle shell is a symbol of our commitment to create a **community** that uplifts and empowers all who are a part of it. By leading with **heart**, we pursue our **vision** to foster a culture of **compassion**, founded on a strong sense of **trust**. With that foundation, we have the **courage** to try new things and enjoy every present moment with immense **joy**!

**COMMUNITY** - Work as a community to create impactful change.

**HEART** - Operate with intention from the heart.

**VISION** - Strive towards a greater vision by pursuing growth, exhibiting leadership, and embracing the power of new ideas.

**COMPASSION** - Serve with compassion to foster a supportive and inclusive environment.

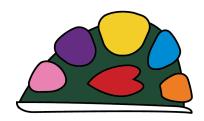

**TRUST** - Build trust by acting with integrity, reliability, and mutual respect.

**COURAGE** - Embody courage: be bold, be creative, be our best selves!

**JOY -** Choose Joy.

### FAMILY CABIN CONTRACT

Just like we do at camp, what are some rules that your family wants to follow this weekend in order to have the best possible time. Is it to follow the STAR Model, or is it everyone needs to clean their areas for like the coveted Clean Cabin Award, or is it that you have to HOP and dance for your food? Be creative!

#### STARS IN THE SKY

Stars in the sky, stars in the sky
Bring the summer right back to me
Tell me you'll try, tell me you'll try
To think about me whenever you see those Stars in the sky

It's just a letter from a friend of mine
A little picture from another time
A little picture of a place that we used to go
A word or two about a friend we miss
A fond reminder of a promised kiss
A fond reminder of a vow we made long ago

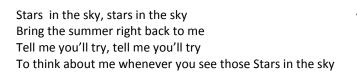

Stars in the sky, stars in the sky
Bring the summer right back to me
Tell me you'll try, tell me you'll try
To think about me whenever you se

To think about me whenever you see those Stars in the sky

We went away when we were very young
To find the person that we would become
To find the person that was hidden somewhere inside
What we discovered there it still holds true
The friends you make become a part of you
The friends you made will each return to you like the tide

And if by chance you should be going there
Please take this message that I hope you'll share
Please take this message to the ones too young to have learned
The time is short and there's so much to do
Don't waste a moment of what's given to you
Don't waste a moment 'cause you'll never see it returned

Stars in the sky, stars in the sky Bring the summer right back to me Tell me you'll try, tell me you'll try

To think about me whenever you see those Stars in the sky, Stars in the sky
