

The Painted Turtle is more than a camp.

It's a place where children with
serious illnesses can just be kids!

At Camp, anything is possible.

Every child deserves to experience the life-changing power of camp.

The Painted Turtle provides year-round camp experiences for children with serious medical conditions. Located in Lake Hughes, California, The Painted Turtle is a proud member of the global SeriousFun Children's Network, founded by **Paul Newman**.

Every aspect of the intentional and adaptive programming at Camp—from a wheelchair-friendly ropes course to exceptional on-site medical care—is designed to allow all campers to participate in all activities. Since opening in 2004, over 100,000 children and their families have attended The Painted Turtle **completely free of charge**.

Serving **120+ medical conditions**, including:

- ♥ skeletal dysplasia
- ♥ cystic fibrosis
- ♥ spina bifida
- ♥ hemophilia/Von Willebrand disease/with inhibitor
- ♥ cerebral palsy
- ♥ metabolic conditions
- ♥ muscular dystrophy
- ♥ kidney & liver disease
