

### How do I start raising money for my nonprofit or school with Goodshop?

Visit [goodshop.com](http://goodshop.com). Select Login/Register in the top right corner of the page. Register using your Facebook account or email address. When prompted select The Painted Turtle as your charity of choice. Register and create a user profile which will allow you to keep track of your individual amount raised.

Use the **Goodshop tab** at the top of the homepage or go to [www.goodshop.com](http://www.goodshop.com) to visit the GoodShop online shopping mall and browse through thousands of partner stores, including top brands in clothing, office supplies, gifts and more.

Click the store link or logo on GoodShop.com and you will be taken to the store. Shop as you normally would. You pay nothing extra, but a portion of all qualifying purchases will go to your cause.

100% of the donation amount displayed on merchant's Goodshop page will go to the charity or school of your choice!

### How much can I earn for my charity or school?

You can see how much is donated back to your cause on each partner retailer's respective page on Goodshop. This donation amount varies; but it generally ranges from 1% - 30% of your total purchase amount. Your amount raised from everyday shopping can quickly add up! There is no cap on how much money we will direct to charities.

### So, there's no cost to me? Is using Goodshop any different or more costly than buying directly from the retailer?

Not at all! There is no cost and the experience of shopping through Goodshop is exactly the same as going to the retailer directly. You receive the same prices and level of service, and the retailers are responsible for collecting payment, shipping and returns. The only difference is that you have the added bonus of simply earning donations for your favorite cause through your shopping!
