| 3 | | 3 | | 4 | | 6 | | 2 | | 7 | | 5 | | 9 | | 6 | | 3 | |

Create your own "I Spy"

1. Choose a theme & decide how many different images you'd like to put in your "I Spy", (the one on the previous page has 30, but you can do fewer if you'd like). Examples of themes: Disney, Desserts, Outer space.
2. Draw your images at the bottom of this page. Decide how many times you would like to draw each image, write the number next to it.
3. Draw the images within the rectangle below. Draw them in different sizes. Draw them upside down or sideways. Make sure that you fill up the whole space!
4. Challenge a parent, caregiver, nurse, child life specialist or friend to find all of the images in your "I Spy"!
