## The Aardvark Song

There is an aardvark aardvark  
 in the park they say he's  
 missing from the zoo (the zoo),  
 And the police are looking high and low  
 cause' they have not seen him have you?  
 Why did he go oh oh oh I'll tell you the reason,  
 Cause' (cause') it's (it's) aardvark mating season,  
 When an aardvark makes a date  
 he slips right through that old zoo gate

So if you see two aardvarks necking in the park,  
 don't upset there apple cart  
 Do not be a spy, your not the FBI,  
 you should never break an aardvarks heart.

To be an aardvark is not easy folks  
 cause 'all you get to eat is ants (is ants!)  
 And all the other animals make jokes  
 at your attempt to find romance! (romance)  
 Nobody laughs (laughs)  
 at (at) hippopotamus'  
 or (or) at (at) fat rhinoceroses  
 But an aardvark makes them howl,  
 because he's neither fish nor fowl,

He's like a kangaroo in love with a ginu,  
 and that's what makes the zoo folks laugh (ha ha ha)  
 all of this is so and here is how I know, I'm your friendly  
 neighborhood giraffe (long neck)!

## BONUS:

## The Hippopotamus Song

What can make A hippopotamus SMILE  
 What can make him walk for more than a MILE

Its not a birthday with paper hats  
 Or a bowl of candy that will make him fat  
 CAUSE THAT'S NOT WHAT HIPPOS DO!

(CHORUS) They ooze in the gooze with out any shoes  
 Wade in the water til their lips turn blue  
 CAUSE THAT'S WHAT HIPPOS DO!

What can make a hippopotamus SMILE  
 What can make him walk for more than a MILE

Not swooshing down a slippery slide  
 Or going for a bicycle ride  
 CAUSE THAT'S NOT WHAT HIPPOS DO!

(CHORUS)

What can make a hippopotamus SMILE  
 What can make him walk for more than a MILE

Its not a trip to Disneyland  
 Or playin in a Rock n Roll Band  
 CAUSE THAT'S NOT WHAT HIPPOS DO!

(CHORUS)

Hey, ain't it good to know that you've got a friend?  
 People can be so cold.  
 They'll hurt you and desert you.  
 Well they'll take your soul if you let them.  
 Oh yeah, but don't you let them.

You just call out my name and you know wherever I am  
 I'll come running to see you again.  
 Oh babe, don't you know that,  
 Winter spring summer or fall,  
 Hey now, all you've got to do is call.  
 Lord, I'll be there, yes I will.  
 You've got a friend.  
 You've got a friend.  
 Ain't it good to know you've got a friend.  
 Ain't it good to know you've got a friend.

## You've Got a Friend

When you're down and troubled  
and you need a helping hand,  
and nothing, whoa nothing is going right.  
Close your eyes and think of me  
and soon I will be there  
to brighten up even your darkest nights.

You just call out my name,  
and you know wherever I am  
I'll come running, oh yeah baby  
to see you again.  
Winter, spring, summer, or fall,  
all you got to do is call  
and I'll be there, yeah, yeah, yeah.  
You've got a friend.

If the sky above you  
should turn dark and full of clouds  
and that old north wind should begin to blow  
Keep your head together and call my name out loud now  
and soon I'll be knocking upon your door.  
You just call out my name and you know where ever I am  
I'll come running to see you again.  
Winter, spring, summer or fall  
all you got to do is call  
and I'll be there, yeah, yeah, yeah.

## Yellow Submarine

In the town where I was born  
Lived a man who sailed to sea  
And he told us of his life  
In the land of submarines  
So we sailed up to the sun  
Till we found a sea of green  
And we lived beneath the waves  
in our yellow submarine

We all live in a yellow submarine  
Yellow submarine, yellow submarine  
We all live in a yellow submarine  
Yellow submarine, yellow submarine

And our friends are all aboard  
Many more of them live next door  
And the band begins to play

We all live in a yellow submarine  
Yellow submarine,  
yellow submarine  
We all live in a yellow submarine  
Yellow submarine,  
yellow submarine

As we live a life of ease  
Every one of us has all we need  
Sky of blue and sea of green

We all live  
in a yellow submarine  
Yellow submarine,  
yellow submarine

## Brown Eyed Girl

Hey where did we go,  
Days when the rains came  
Down in the hollow,  
Playin' a new game,  
Laughing and a running hey, hey  
Skipping and a jumping  
In the misty morning fog with  
Our hearts a thumpin' and you  
My brown eyed girl,  
You my brown eyed girl.

Whatever happened  
To Tuesday and so slow  
Going down the old mine  
With a transistor radio  
Standing in the sunlight laughing,  
Hiding behind a rainbow's wall,  
Slipping and sliding  
All along the water fall, with you  
My brown eyed girl,  
You my brown eyed girl.

Do you remember when we used to sing,  
Sha la la la la la la la la te da

So hard to find my way,  
Now that I'm all on my own.  
I saw you just the other day,  
My how you have grown,  
Cast my memory back there, Lord  
Sometime I'm overcome thinking 'bout  
Shakin' hands in the green grass  
Behind the stadium with you  
My brown eyed girl  
You my brown eyed girl

Do you remember when we used to sing  
Sha la la la la la la la la te da.

## Bumblebee Song

I'm bringing home a baby bumblebee  
Won't my Mommy be so proud of me  
(Cup hands together as if holding bee)

I'm bringing home a baby bumblebee  
Ouch, he stung me  
(Shake hands as if just stung)

I'm squishing up a baby bumblebee  
Won't my Mommy be so proud of me  
(Squish' bee between palms of hands)

I'm squishing up a baby bumblebee  
Eww! What a mess!  
(Look at hands)

I'm licking up a baby bumblebee  
Won't my Mommy be so proud of me  
(Pretend to lick bee off hands)

I'm licking up my baby bumblebee  
Ugh! I feel sick.  
(Make groaning sounds)

I'm throwing up a baby bumblebee  
Won't my Mommy be so proud of me  
(Hold stomach and toss cookies)

I'm throwing up a baby bumblebee  
Another mess!  
(Make awful face)

I'm sweeping up a baby bumblebee  
Won't my Mommy be so proud of me

(Sweep floor)

I'm sweeping up a baby bumblebee  
All clean!

I'm bringing home a baby dinosaur  
Won't my Mommy kick me out the door  
(Cup hands together as if holding a dinosaur)

I'm bringing home a baby dinosaur  
AAH! It ate me!!!

## A Whole New World (Continued)

A whole new world  
Don't you dare close your eyes  
Hold your breathe it gets better  
I'm like a shooting star  
I've come so far  
I can't go back to where I used to be

A whole new world  
Every turn a surprise  
With new horizons to pursue  
Every moment red letter  
I'll chase them any where  
There's time to spare  
Let me share this whole new world with you.

A whole new world  
A whole new world  
That's where we'll be  
That's where we'll be  
A thrilling chase  
A wondrous place  
For you and me.

## A Whole New World

I can show you the world  
Shining, shimmering, splendid  
Tell me princess, now when did  
You last let your heard decide?

I can open your eyes  
Take you wonder by wonder  
Over sideways and under  
On a magic carpet ride

A whole new world  
A new fantastic point of view  
No one to tell us no  
Or where to go  
Or say we're only dreaming

A whole new world  
A dazzling place I never knew  
But when I'm way up here  
Its crystal clear that now I'm in a  
whole new world with you

Unbelievable sights  
Indescribable feelings  
Soaring, tumbling, freewheeling,  
Through an endless diamond sky

## Can You Feel the Love Tonight

There's a calm surrender to the rush of day  
When the heat of a rolling wind can be turned away  
An enchanted moment, and it sees me through  
It's enough for this restless warrior just to be with you

**CHORUS:** And can you feel the love tonight  
It is where we are  
It's enough for this wide-eyed wanderer  
That we got this far  
And can you feel the love tonight  
How it's laid to rest  
It's enough to make kings and vagabonds  
Believe the very best

There's a time for everyone if they only learn  
That the twisting kaleidoscope moves us all in turn  
There's a rhyme and reason to the wild outdoors  
When the heart of this star-crossed voyager beats in time with  
yours  
(Chorus)

They're really saying, I love you.

## Three Little Birds

Don't worry about a thing,  
'Cause every little thing gonna be all right.  
Singin': "Don't worry about a thing,  
'Cause every little thing gonna be all right!"

Rise up this mornin',  
Smiled with the risin' sun,  
Three little birds  
Pitch by my doorstep  
Singin' sweet songs  
Of melodies pure and true,  
Sayin', ("This is my message to you-ou-ou:")

Singin': "Don't worry 'bout a thing,  
'Cause every little thing gonna be all right."  
Singin': "Don't worry (don't worry) 'bout a thing,  
'Cause every little thing gonna be all right!"

Rise up this mornin',  
Smiled with the risin' sun,  
Three little birds  
Pitch by my doorstep  
Singin' sweet songs  
Of melodies pure and true,  
Sayin', "This is my message to you-ou-ou:"

Singin': "Don't worry about a thing, worry about a thing, oh!  
Every little thing gonna be all right. Don't worry!"  
Singin': "Don't worry about a thing" - I won't worry!  
"Cause every little thing gonna be all right."

Singin': "Don't worry about a thing,  
'Cause every little thing gonna be all right" - I won't worry!  
Singin': "Don't worry about a thing,  
'Cause every little thing gonna be all right."  
Singin': "Don't worry about a thing, oh no!  
'Cause every little thing gonna be all right!"

## Day-O

## Desperado

Oh, there was a desperado  
From the wild and woolly west  
He wore a big sombrero  
and two guns across his chest  
He rode into Chicago  
just to give the West a rest  
And everywhere he went  
he gave a YAHOO!

**CHORUS:** Oh, He was a big bold man,  
he was a desperado  
From Triple Creek  
Way out in Colorado  
He horsed around like a big tornado  
And everywhere he went  
He gave a YAHOO!

He went to Coney Island  
just to check out all the sights  
He saw all the people  
And the girls in purple tights  
And he got so excited  
That he SHOT OUT ALL THE LIGHTS!  
And everywhere he went  
he gave a YAHOO! (CHORUS)

There was a big policeman  
just a walkin' down the street  
There was a desperado  
just a cruising' down the boulevard.  
The policeman grabbed him by his collar  
And he grabbed him by the seat  
And he threw him where  
he couldn't do his YA HOO!. (CHORUS)

## Texas!?!

**CHORUS:** Gotta gotta wake up, gotta get some breakfast,  
Gotta gotta wake up, gotta do some stretches,  
Gotta gotta wake up, gotta go to Texas!?!

When I wake up, I like to do the fisherman  
Cast cast, reel reel, I think I got a fish!  
(CHORUS)

When I wake up, I like to do the horsey  
Trot trot, gallop gallop, rahah rahah (CHORUS)

When I wake up, I like to go swimming  
Front stroke, back stroke, I can hold my breath (CHORUS)

When I wake up, I like to go to discovery  
Catch that bug, eat that bug, ummmmm, burp! (CHORUS)

When I wake up, I like to do the ropes  
Climb climb, zip line, OUCH this harness is tight! (CHORUS)

Today is going to be an absolutely ridiculous,  
amazingly terrific day!

## This Joy

This joy that I have, the world didn't give it to me  
This joy that I have, the world didn't give it to me  
This joy that I have, the world didn't give it to me  
The world didn't give it and the world can't take it  
away

This LOVE that I have...  
This HOPE that I have...  
This PEACE that I have...  
These FRIENDS that I have...  
This CAMP that I have...

Ronda...was drivin' in her Honda  
Crashed into a pond-uh  
Ouch! That hurts!  
Now Ronda has no Honda....

Charlie...was ridin' on his Harley  
Crashed into Boby Marley  
Ouch! That hurts!  
Now Charlie is gnarley...

Shamu...was swimmin' in the ocean blue  
Bumped his head on a canoe  
Ouch! That hurts!  
Now Shamu's gonna sue...

## Down By the Bay

Down by the bay  
Where the watermelons grow  
Back to my home  
I dare not go  
For if I do  
My mother will say  
"Did you ever see a bear  
Combing his hair  
Down by the bay?"

Down by the bay  
Where the watermelons grow  
Back to my home  
I dare not go  
For if I do  
My mother will say  
"Did you ever see a snake  
Eating birthday cake  
Down by the bay?"

Down by the bay  
Where the watermelons grow  
Back to my home  
I dare not go  
For if I do  
My mother will say  
"Did you ever see a moose  
Kissing a goose  
Down by the bay?"

Down by the bay  
Where the watermelons grow  
Back to my home  
I dare not go  
For if I do  
My mother will say  
"Did you ever see a whale  
With a polka dot tail  
Down by the bay?"

## Tarzan

Tarzan...was swingin' on a rubber band  
Smacked into a frying pan  
Ouch! That hurts!  
Now Tarzan's got a tan.  
And I hope it doesn't peel  
Like. A. Banana.

Jane...was flyin' in her airplane  
Crashed into a freeway lane  
Ouch! That hurts!  
Now Jane's got a pain,  
Now Tarzan's got a tan.  
And I hope it doesn't peel  
Like. A. Bananna.

Cheetah...was groovin' to the beat-uh  
Walked into the street-uh  
Ouch! That hurts!  
Now Cheetah is Velveeta....

(Add on the previous verses each time)

## Stars in the Sky

Chorus: Stars in the sky, stars in the sky  
Bring the summer right back to me  
Tell me you'll try, tell me you'll try  
To think about me whenever you see those  
Stars in the sky

It's just a letter from a friend of mine  
A little picture from another time  
A little picture of a place that we used to go  
A word or two about a friend we miss  
A fond reminder of a promised kiss  
A fond reminder of a vow we made long ago (chorus)

We went away when we were very young  
To find the person that we would become  
To find the person that was hidden somewhere inside  
What we discovered there it still holds true  
The friends you make become a part of you  
The friends you made will each return to you like the tide  
(chorus)  
And if by chance you should be going there  
Please take this message that I hope you'll share  
Please take this message to the ones too young to have learned  
The time is short and there's so much to do  
Don't waste a moment of what's given to you  
Don't waste a moment 'cause you'll never see it returned  
(chorus)

## Good Riddance (Time of Your Life)

Another turning point, a fork stuck in the road  
Time grabs you by the wrist, directs you where to go  
So make the best of this test and don't ask why  
It's not a question, but a lesson learned in time

**CHORUS:** It's something unpredictable,  
but in the end it's right.

I hope you had the time of your life.

So take the photographs and still frames in your mind  
Hang it on a shelf in good health and good time  
Tattoos of memories and dead skin on trial  
For what it's worth, it was worth all the while

Chorus (repeat three times).

## Hands on My SHELL

Hands on my shell! What's this stuff here?  
This is my new knocker my momma dear!  
New knocker, new knocker, nik nik nak noo!  
That's what I learned at my school yo-ho!

Hands on my shell! What's this stuff here?  
These are my sound catchers my momma dear!  
Sound catchers, new knocker, nik nik nak noo!  
That's what I learned at my school yo-ho!

Hands on my shell! What's this stuff here?  
This is my bread basket my momma dear!  
Bread basket, sound catchers,  
New knocker, nik nik nak noo!  
That's what I learned at my school yo-ho!

Hands on my shell! What's this stuff here?

 Leg elbows, bread basket, sound catchers,  
 New knocker, nik nik nak noo!

Hands on my shell! What's this stuff here?  
 These are my bug stompers my momma dear!  
 Bug stompers, leg elbows, bread basket, sound catchers,  
 New knocker, nik nik nak noo!  
 That's what I learned at my school yo-ho!

## Stand By Me

When the night has come and the land is dark  
 And the moon is the only light we'll see.  
 No I won't be afraid, no I won't be afraid  
 Just as long as you stand...Stand by me.

Chorus:

So darling, darling, Stand by me, oh Stand by me,  
 oh, stand...  
 Stand by me. Stand by me.

If the sky that we look upon should tumble and fall  
 Or the mountains should crumble in the sea.  
 I won't cry. I won't cry, no I won't shed a tear.  
 Just as long as you stand...Stand by me.

(Chorus)

## Here Comes the Sun

Here comes the sun, doo-do-doo doo  
 Here comes the sun and I say it's all right

Little darling, it's been  
 a long cold lonely winter  
 Little darling, it feels like  
 years since it's been here

Here comes the sun, doo-do-doo doo  
 Here comes the sun and I say it's all right

Little darling, the smiles returning to the faces  
 Little darling, it seems like years since it's been here  
 Here comes the sun, doo-do-doo doo  
 Here comes the sun and I say it's all right

Sun, sun, sun here it comes...  
 Little darling, I feel that ice is slowly melting  
 Little darling, it seems like years since it's been clear  
 Here comes the sun, doo-do-doo doo  
 Here comes the sun, and I say it's all right  
 It's all right

## Right Field

Saturday summers, when I was a kid  
We'd run to the schoolyard and here's what we did  
We'd pick out the captains and we'd choose up the teams  
It was always a measure of my self esteem  
Cuz the fastest, the strongest, played shortstop and first  
The last ones they picked were the worst  
I never needed to ask, it was sealed,  
I just took up my place in right field.  
Playing...

*chorus:*

*Right field, it's easy, you know.*

*You can be awkward and you can be slow*

*That's why I'm here in right field*

*Just watching the dandelions grow*

Playing right field can be lonely and dull

Little Leagues never have lefties that pull

I'd dream of the day they'd hit one my way

They never did, but still I would pray

That I'd make a fantastic catch on the run

And not lose the ball in the sun

And then I'd awake from this long reverie

And pray that the ball never came out to me

Here in...

*(chorus)*

Off in the distance, the game's dragging on,

There's strikes on the batter, some runners are on.

I don't know the inning, I've forgotten the score.

The whole team is yelling and I don't know what for.

Then suddenly everyone's looking at me

My mind has been wandering; what could it be?

They point at the sky and I look up above

And a baseball falls into my glove!

Here in right field, it's important you know.

You gotta know how to catch, you gotta know how to throw,

That's why I'm here in right field, just watching the dandelions grow

## Hermie the Worm

Sitting on a fencepost,  
chewing my bubble gum  
\*Smack, smack, smack\* (of gum)  
Playing with my Yo-Yo  
Wee-eww Wee-eww  
When along came Hermie the Worm  
And he was this big  
(hands about a foot apart)  
I said, "Hermie, what happened?"  
"I ate my breakfast."

Sitting on a fencepost, chewing my bubble gum  
\*Smack, smack, smack\*  
Playing with my Yo-Yo  
Wee-eww Wee-eww  
When along came Hermie the Worm  
And he was this big (hands farther apart)  
I said, "Hermie, what happened?"  
"I ate my lunch."

Sitting on a fencepost, chewing my bubble gum  
\*Smack, smack, smack\*  
Playing with my Yo-Yo  
Wee-eww Wee-eww  
When along came Hermie the Worm  
And he was this big (hands even further apart)  
I said, "Hermie, what happened?"  
"I ate my dinner."

Sitting on a fencepost, chewing my bubble gum  
\*Smack, smack, smack\*  
Playing with my Yo-Yo  
Wee-eww Wee-eww  
When along came Hermie the Worm  
And he was this big (hands even further apart)  
I said, "Hermie, what happened?"  
"I ate my dessert."

Sitting on a fencepost, chewing my bubble gum  
\*Smack, smack, smack\*  
Playing with my Yo-Yo  
Wee-eww Wee-eww  
When along came Hermie the Worm  
And he was this big (thumb and pointer finger close together))  
I said, "Hermie, what happened?"  
"I burped."

## Rattlin' Bog

Chorus:  
A Rare Bog a Rattlin' Bog ,  
Way down in the valley-oh!  
A Rare Bog a Rattlin' Bog,  
Way down in the valley-oh!

Now in that bog, there was a tree,  
A rare tree, a rattlin' tree!  
With the tree in the bog,  
And the bog down in the valley-oh!  
(Chorus)

Now on that tree, there was a branch,  
A rare branch, a rattlin' branch!  
With the branch on the tree,  
And the tree in the bog,  
And the bog down in the valley-oh!  
(Chorus)

Now on that branch, there was a nest,  
A rare nest, a rattlin' nest!  
With the nest on the branch,  
And the branch on the tree,  
And the tree in the bog,  
And the bog down in the valley-oh!  
(Chorus)

(Repeat, adding a line each time)  
Now in that nest, there was an egg...  
Now in that egg, there was a bird...  
Now on that bird there was a feather...  
Now on that feather, there was a flea...  
Now on that flea, there was a speck  
Now on that speck there was an amoeba...

## Rainbow Connection

Why are there so many songs about rainbows? And what's  
on the other side?

Rainbows are visions, but only illusions, and rainbows  
have nothing to hide.

So we've been told and some choose to believe it. I know  
they're wrong, wait and see.

Someday we'll find it, the rainbow connection, the lovers,  
the dreamers, and me.

Who said that every wish, would be heard and answered,  
when wished on the morning star.

Somebody thought of that, and someone believed it, look  
what it's done so far.

What's so amazing that keeps us stargazing, and what do  
we think we might see?

Someday we'll find it, the rainbow connection, the lovers,  
the dreamers, and me.

All of us under it's spell, the lovers, the dreamers, and me.

## Put a Little Love in Your Heart

Think of your fellow man, lend him a helping hand  
Put a little love in your heart  
You see it's getting late, oh, please don't hesitate  
Put a little love in your heart

And the world will be a better place, (repeat)  
For you and me  
You just wait and see

Another day goes by, Still the children cry  
Put a little love in your heart  
If you want the world to know, we won't let hatred grow,  
Put a little love in your heart

And the world (and the world) will be a better place  
All the world (and the world) will be a better place  
For you (for you) and me (and me)  
You just wait (just wait) and see, wait and see

Take a good look around, and if you're looking down,  
Put a little love in your heart  
I hope when you decide, kindness will be your guide  
Put a little love in your heart

And the world (and the world) will be a better place  
And the world (and the world) will be a better place  
For you (for you) and me (and me)  
You just wait (just wait) and see

People now — Put a little love in your heart  
Each and every day  
Put a little love in your heart  
There's no other way  
Put a little love in your heart  
It's up to you  
Put a little love in your heart  
C'mon and put a little love you in your heart  
(fade out)

## The Princess Pat

The Princess Pat lived in a tree.  
She sailed across  
The deep blue sea  
She sailed across the channel too  
And she took with her a rig-a-bamboo.  
A rig-a-bamboo  
Now what is that?  
It's something made by the Princess Pat  
It's red and gold and purple too  
That's why it's called a rig-a-bamboo  
(Rather weak logic I know. Just go with it)  
Now Cpt. Jack had a mighty fine crew  
They sailed across the channel too  
But his ship sank and so will you  
If you don't take a rig-a-bamboo!  
A rig-a-bamboo Now what is that...(etc..etc.)

## I Don't Want to Live on the Moon

Well, I'd like to visit the moon  
On a rocket ship high in the air  
Yes, I'd like to visit the moon  
But I don't think I'd like to live there  
Though I'd like to look down at the earth from above  
I would miss all the places and people I love  
So although I might like it for one afternoon  
I don't want to live on the moon

I'd like to travel under the sea  
I could meet all the fish everywhere  
Yes, I'd travel under the sea  
But I don't think I'd like to live there  
I might stay for a day there if I had my wish  
But there's not much to do when your friends are all fish  
And an oyster and clam aren't real family  
So I don't want to live in the sea

I'd like to visit the jungle, hear the lions roar  
Go back in time and meet a dinosaur  
There's so many strange places I'd like to be  
But none of them permanently

So if I should visit the moon  
Well, I'll dance on a moonbeam and then  
I will make a wish on a star  
And I'll wish I was home once again  
Though I'd like to look down at the earth from above  
I would miss all the places and people I love  
So although I may go I'll be coming home soon  
'Cause I don't want to live on the moon  
No, I don't want to live on the moon

## I'm Coming Out of My Shell

Did you say I'm weak  
Did you say I'm small  
Did you say I'm no good at anything at all  
Oh how you're wrong  
Just wait and see.

**CHORUS:** I'm coming out....  
Coming out of my shell  
Coming out of my shell  
You can tell  
I'm feeling well.  
Yeah,  
I'm Coming Out of My Shell.

This hook is sharp  
That worm is ugly  
But I don't care cause I'm  
feeling snugly  
I kissed a fish, then sent him  
home. (CHORUS)

Arts & crafts  
Wood shop  
I hope this week just never never stops  
I'll bring it home, stories to tell (CHORUS)

(BRIDGE with Dance/Hand Clapping)

## Pirate Song

When I was one, I sucked my thumb,

### CHORUS:

The day I went to sea  
I jumped aboard a pirate ship  
And the captain said to me:

"We're going this way that way  
Forwards, backwards  
Over the rolling sea  
A jar of jelly to fill my belly  
'Cause that's the life for me."

Yarr Yarr Yarr Yarr  
Yarr Yarr Yarr Yarr

When I was two, I tied my shoe...(CHORUS)

When I was three, I climbed a tree...

When I was four, I shut the door...

When I was five, I learned to jive...

When I was six, I picked up sticks...

When I was seven, I became a legend...

When I was eight, I was late...

When I was nine, I got in line...

When I was ten, I started again...

## I'm Coming Out of My Shell (Continued)

We're feeling well.  
We're Coming Out of Our Shell.

## Jet Plane by John Denver

All my bags are packed, I'm ready to go, I'm standing here  
outside your door,  
I hate to wake you up to say goodbye,  
But the dawn is breaking, it's early morn', the taxi's waitin'  
he's blowing his horn,  
Already I'm so lonesome I could cry.

### CHORUS:

So kiss me and smile for me, tell me that you'll wait for me  
Hold me like you'll never let me go.  
I'm leaving on a jet plane, don't know when I'll be back again  
Oh, babe, I hate to go.

There's so many times I've let you down, so many times I've  
played around,  
I tell you know, they don't mean a thing,  
Every place I go I'll think of you, every song I sing I'll for you,  
When I come back I'll wear your wedding ring. CHORUS

Now the time has come to leave, one more time, let me kiss  
you,  
Then close your eyes, I'll be on my way,  
Dream about the days to come, when I won't have to leave  
alone  
About the time I won't have to say. CHORUS

## Penguin Dance

**Chorus:** Have you ever seen  
A penguin dancing?!  
Take a look at me,

## The Painted Turtle Rocks!

We're gonna have all of the  
fun that we can have under the sun.  
We're gonna raise some ruckus  
Everywhere we go just because.  
We're in a place where we can be  
just like the one we're next to.  
There's nowhere else like the PT,  
The only place we wanna be because...

### CHORUS:

The Painted Turtle rocks!  
Ya know The Painted Turtle rocks!  
Oh the fun just doesn't stop  
Cuz The Painted Turtle rocks!

We'll make our very own TV show  
Catch it all on video  
Get washed out by the fire hose  
After getting messy at Silly-O oh oh oh

Let's take a dip in the pool  
Did you notice it's shaped like Shamu?  
Let's go shoot some hopes in the gym  
Before it's time for dinner.  
It's been a whole year and I can't  
Get "Stars in the Sky" out of my head.  
Let's play some silent ball after cabin chat  
Before we go to bed because...

CHORUS X 2

## Lean On Me

Sometimes in our lives  
We all have pain, we all have sorrow  
But, if we are wise  
We know that there's always tomorrow

### CHORUS:

Lean on me, when you're not strong  
I'll be your friend, I'll help you carry on  
For, it won't be long  
Till I'm gonna need somebody to lean on

Please swallow your pride  
If I have things you need to borrow  
For no one can fill  
Those of your needs that you don't let show

(bridge)

You just call on me brother/sister, when you need a hand  
We all need somebody to lean on  
I just might have a problem that you'd understand  
We all need somebody to lean on  
(repeat chorus)

If there is a load, you have to bear  
That you can't carry  
I'm right up the road, I'll share your load  
If you just call me  
Call me, when you need a friend, call me

## The Lion Sleeps Tonight

(A Round)

I. Ah weem oh weh (repeat)

II. Ooo Ooo Ooo Ooo

Ah wee um bumbaweh (repeat)

III. In the jungle, the mighty jungle  
The lion sleeps tonight  
In the jungle the quiet jungle  
The lion sleeps tonight

III. Near the village, the peaceful village  
The lion sleeps tonight  
Near the village, the peaceful village  
The lion sleeps tonight

## Over My Head

I never knew  
I never knew that everything was falling through  
That everyone I knew was waiting on a cue  
To turn and run when all I needed was the truth  
But that's how it's got to be  
It's coming down to nothing more than apathy  
I'd rather run the other way than stay and see  
The smoke and who's still standing when it clears

Chorus:

Everyone knows I'm in over my head, over my head  
With eight seconds left in overtime  
She's on your mind, she's on your mind

Let's rearrange

I wish you were a stranger I could disengage  
Just say that we agree and then never change  
Soften a bit until we all just get along  
But that's disregard  
Find another friend and you discard  
As you lose the argument in a cable car  
Hanging above as the canyon comes between

Chorus (twice)

And suddenly I become a part of your past  
I'm becoming the part that don't last  
I'm losing you and it's effortless  
Without a sound we lose sight of the ground  
In the throw around  
Never thought that you wanted to bring it down  
I won't let it go down till we torch it ourselves  
Chorus (repeat)

## One Bottle of Pop

One bottle of pop, two bottles of pop  
Three bottles of pop, four bottles of pop  
Five bottles of pop, six bottles of pop  
Seven bottles of pop – pop

Don't put your trash in my backyard,  
My backyard, my backyard  
Don't put your trash in my backyard  
Recycle instead

Fish and chips and vinegar, vinegar, vinegar  
Fish and chip and vinegar  
Pepper, pepper, pepper, pop

## The Littlest Worm

The littlest worm, (everyone echo) I ever saw (echo)  
Was curled up in (echo) my soda straw (echo, etc)

All together: The littlest worm I ever saw, was curled up in my  
soda straw.

He said to me don't take a sip, for it you do I'll surely slip

All together: He said to me don't take a sip, for if you do I'll  
surely slip.

I took a sip and he went down right through my pipes he must  
have drowned

All together: I took a sip and he went down, right through my  
pipes he must have drowned.

I coughed him up and he was dead I buried him in my counse-  
lors bed (or insert a name for counselors)

All together: I coughed him up and he was dead, I buried him  
in my counselors bed

He was my pal he was my friend but now he's gone and that's  
the end

He was my pal, he was my friend, but now he's gone and  
that's the end

That is the end there is no more until I meet that  
worm once more.

That is the end, there is no more, until I meet that  
worm once more.

## Momma Don't Wear No Socks

My Momma don't wear no socks! (A Ding Dong!)  
I saw her when she took em' off! (A Ding Dong!)

She threw them in the sky  
Now Superman refuses to fly!

A ding dong dong dong dong,  
A ding dong dong dong dong,  
a ding dong!

(Repeat with new middle verses)

She threw them over the fence  
Haven't seen our neighbors since!

She threw them on the wall  
Spiderman refused to crawl!

She threw them on a plate  
Guess what my brother ate!

She threw them on the floor  
Cockroaches moved in next door!

She threw them in a slurpee machine  
There's a new flavor called fungi green!

She threw them around the bend  
That means this IS THE END!

## Octopus' Garden

I'd like to be under the sea  
In an octopus' garden in the shade  
He'd let us in, knows where we've been  
In his octopus' garden in the shade

I'd ask my friends to come and see  
An octopus' garden with me  
I'd like to be under the sea  
In an octopus' garden in the shade.

We would be warm below the storm  
In our little hideaway beneath the waves  
Resting our head on the sea bed  
In an octopus' garden near a cave

We would sing and dance around  
because we know we can't be found  
I'd like to be under the sea  
In an octopus' garden in the shade

We would shout and swim about  
The coral that lies beneath the waves  
(Lies beneath the ocean waves)

Oh what joy for every girl and boy  
Knowing they're happy and they're safe  
(Happy and they're safe)

We would be so happy you and me  
No one there to tell us what to do  
I'd like to be under the sea  
In an octopus' garden with you.

## The Moose Song

There was a great big moose  
he liked to drink a lot of juice  
(repeat)  
Singin' wayo wayo  
Wayo wayo wayo wayo  
Wayyy-o Wayyy-o  
Wayo wayo wayo wayo

The moose's name was Fred  
He liked to drink his juice in bed  
(repeat)  
Singin' wayo wayo  
Wayo wayo wayo wayo  
Wayyy-o Wayyy-o  
Wayo wayo wayo wayo

He drank his juice with care  
But he spilled it on his hair  
(repeat)  
Singin' wayo wayo  
Wayo wayo wayo wayo  
Wayyy-o Wayyy-o  
Wayo wayo wayo wayo

Now he's a sticky moose  
On the loose, full of juice!
