Welcome

Welcome to The Painted Turtle Family

The Painted Turtle began as a dream in 1999 when Paul Newman and Page Adler, along with a group of dedicated individuals, co-founded The Painted Turtle to let kids with medical conditions just be kids. Through the ongoing commitment of these individuals, many of whom sit on our board today, the dream of The Painted Turtle became a reality. Located just outside of Los Angeles in Lake Hughes, California, The Painted Turtle has served tens of thousands of children and families since opening in 2004.

We look forward to working with you to achieve your event and FUNdraising goals. If you have any questions, please do not hesitate to reach out to us at any time.

"Giving back is just the right thing to do."
- Paul Newman

Keys to FUNdraising Success

Create an Amazing Event

• **Follow Up**
  Most donors will not give until the third time they are asked. Send out multiple emails to friends and family and post to social media regularly. For help with emails, see templates below.

• **Plan your event**

• **Share Camp’s Mission**
  Create a specific catalog of photos and stories in your outreach to potential donors.

• **Use Your Online FUNdraising Tools**
  Utilize your web page, email templates and thank-you notes.

• **Set Clear Goals and Deadlines**
  If you create a plan and stick to it, you will be amazed at how quickly you can achieve your goals. For example, if you would like to raise $2,500 for Camp (which happens to be the cost of sending one child to Camp for a one-week summer session) by May 12, be sure to set step-goals to get you there. For instance, set a goal of raising half by April 12, or challenge yourself to asking 10 people for support each week.

• **Diversify**
  Use a mix of email, phone calls, personal letters, notes and social media or host an event; the more FUNdraising ideas you use the better your chances are for success.

• **Thank your Donors**

How to Ask for Support
Camp Changes Lives

Four Easy Steps to Request Support
1. Identify the need you are trying to address.
2. Explain why it is important to you
3. Share what you are doing about it.
4. Ask your potential supporters to take a specific action

An example of a Face to Face Request for Support
Children coping with serious illness and their family members often feel isolated and alone in their struggle and miss out on the opportunity to experience the fun, friendship and spirit of childhood. I’m running a half marathon at the Los Angeles City Marathon to help The Painted Turtle provide “a life changing environment and authentic camp experience” to more than 2,600 children and their family members this year throughout the Country, completely free of charge. Will you help me reach my goal of raising $5,000 by making a donation today?

How to Host an Event
Step by Step

- **Define the Cause**
  Why are you hosting an event?

- **Create a committee**
  Creating a committee will make your life 10 times easier because you can separate the workload among multiple people.

- **Set the Date and Time**
  Check your committee member’s availability and conflicts with other local events.

- **Identify Your Target Demographic**
  Figure out who you are trying to attract to your event. Is it little kids, teens, or adults?

- **Know Your Budget**
  Make a robust list of all your potential costs, look at what you expect to raise and how, and understand what your net will be (net = funds raised – expenses). Look for donations and sponsorships to help bring down costs.

- **Understand Your Network and Community**
  What do your friends and family like to do? Will your community be more likely to come out to an event at your local school, a 5K run, a bowling alley, a black-tie gala, a golf tournament, etc.?

- **Choose the Venue**
  Pick a place that is fun, fits your capacity requirements and is willing to work with you on pricing and promotion.
• **Get Your Community Involved**
  Ask local businesses for sponsorships or grants. Work with community groups to get volunteers and ask friends and local businesses to donate raffle items.

• **Promote**
  Post on Instagram, Snapchat, Facebook, or other social media sites reminding people about the event. For a list of good pictures and captions please email: samw@thepaintedturtle.org

Event Promotion Guidelines

Excellence Is in the Details

Event Names
An approved third-party fundraiser will not promote The Painted Turtle as the organizer of the event but rather the beneficiary. We must continue to protect the name, image, values, and mission of The Painted Turtle, therefore we cannot “officially” endorse your event.

Example: Not “The Painted Turtle Golf Tournament,” instead “ABC Corporation Charitable Golf Tournament benefiting The Painted Turtle.”

Conduct & Decorum
Each third-party fundraiser should be administered in a way that reflects positively on the image of The Painted Turtle. All events & fundraisers should be in line with our mission. No conduct that is unlawful or deemed offensive by The Painted Turtle should be associated with any event benefiting The Painted Turtle. Please do not reference alcohol, tobacco, drug use or any adult content, language or behavior when promoting The Painted Turtle. The Painted Turtle reserves the right to refuse any FUNdraising proceeds from an event which is deemed offensive.

Promotional Materials
Advertising and promotion of the FUNdraising event is the sole responsibility of the organizer of the event and promotional materials and/or advertisements cannot be purchased with The Painted Turtle funds. The Painted Turtle must be allowed to review and approve all promotional materials including, but not limited to, advertising letters, brochures, flyers, and press releases prior to production and distribution. No Painted Turtle copyrighted or trademarked material will be used without prior written permission.

Logo Usage
The Painted Turtle’s logo can be issued upon requested. The most up to date logo and design should be utilized. If permission is granted to use The Painted Turtle’s logo, it should not be altered in typeface, color, or configuration; any use of the logo must follow established graphic standards.

Any use of imagery using the likeness of Paul Newman must receive approval in advance of any use.
Accounting & Making Your Donation

When holding a fundraiser or event which requires the use of credit cards, please process credit cards on site. We cannot process the credit cards for you, during or after the fundraiser/event. Please send the proceeds from your fundraiser/event to The Painted Turtle within 60 days of the fundraiser/event. If you are interested in having an ongoing fundraiser, we ask that you send us the funds you raise every 60 days for the duration of the fundraiser. It is easier if the fundraiser has a start and end date.

Please submit your donation to:

The Painted Turtle
Attn: Third Party Events
1300 4th Street, Suite 300
Santa Monica, CA 90401

Tax Information

The Painted Turtle cannot receipt anyone in full for the purchase of an auction item or raffle tickets. To do so, we would be in violation of IRS guidelines and policies. If documentation can be provided of the appraised market value, we may receipt for the difference. If you are interested in holding a raffle, please check your state’s gaming laws.

The Painted Turtle cannot receipt for tax purposes, any check written from the personal account of the fundraiser/event organizer for the amount raised from a fundraiser/event. We also cannot receipt for tax purposes, any in-kind donations not sent directly to camp. If you donate an item to a fundraiser, please consult your tax advisor for any deduction information.

If your guests would like to be acknowledged for their donation, and there are no goods or services rendered, please ask them to make checks payable to The Painted Turtle

Approval Process

The Painted Turtle is extremely grateful to individuals and organizations who wish to organize events and fundraisers to support our mission. However, only those events which meet specific criteria and legitimately and genuinely benefit The Painted Turtle will be approved. Events will be reviewed on a case by case basis.

All inquiries for a third-party fundraiser should be directed to The Painted Turtle Development Department. A signed agreement should be in place prior to a scheduled event. Organizers of an event should not make public announcements or promote the event until they receive approval from The Painted Turtle for the event.
The mission of The Painted Turtle is to provide a year-round, life-changing environment and authentic camp experience for children with chronic and life-threatening illnesses. The Painted Turtle supports children’s medical needs, inspires them to reach beyond their illnesses, and provides care, education, and respite for their families. All campers and families attend completely free of charge.

Campers at The Painted Turtle enjoy a fun, safe, and adaptive environment where all activities are designed to accommodate campers with medical concerns. At Camp, children are empowered to learn about their own medical care and are given the confidence to become more independent. Each session is grouped by similar diagnoses, where campers are surrounded by others who can understand their challenges. The community at Camp transcends the days that campers spend there, leading to friendships that create a feeling of inclusion and connection outside of Camp.

Our Programs

The Joy of Possibility

Summer Program
Each summer, The Painted Turtle welcomes children ages 7 to 16 for our week-long sessions. In each session, between morning horseback rides and evening campfires, children become artists, swimmers, athletes, canoe paddlers, stargazers, actors on stage, adventurers, and, most importantly, friends. Our campers form a unique community, living in cabins alongside other kids coping with similar medical conditions. With the support of both counselors and cabin mates, kids discover they are capable of doing things they never dreamed possible.

Our campers experience a magical transformation, as they sing and dance, paint, play, and develop important friendships. Life outside of camp may mean a series of medical procedures and hospital stays, but camp is an opportunity for kids to just be kids. With the support of peers, counselors, and on-site medical staff, campers are free to be themselves.

Each session focuses on serving children with one of the medical conditions found most in need of camp opportunities.

Family Weekend Program
Throughout the spring, winter, and fall, The Painted Turtle invites families who are living with the challenges of a medical condition to experience a weekend at camp.

Leadership Program
The Leadership Program is open to 17 and 18 year-old campers seeking to enrich their camp experience through a variety of leadership training activities. Campers will participate as Leadership Campers (LCs) or as Leaders-In-Training (LITs), depending on medical needs.

Equestrian Program
The Equestrian Program fosters self-esteem and confidence in campers and builds an emotional connection between them and the horses. Having a serious medical condition makes many children withdrawn and afraid to trust. Horses have an uncanny way of drawing many of these children out and helping them to feel safe and less fearful. Most riding sessions conclude with hugs and kisses for the horses.
Medical Program
The Painted Turtle serves children from California and across the US who are coping with many types of chronic disease conditions including arthritis, Crohn’s and colitis, hemophilia, kidney and liver disease and transplant, Primary Immune Deficiency Disease, metabolic and genetic conditions, and skeletal dysplasia. Read about eligibility requirements and find a session by medical condition.

In-Hospital Program
The Painted Turtle Outpost takes the magic and fun of what we do at our camp-site to hospitals and medical community events throughout California. The program is endowed by the Margie & Robert E. Petersen Foundation.
