

Straw Rockets

Supplies Needed: markers/crayons/colored pencils, straw, scissors, tape

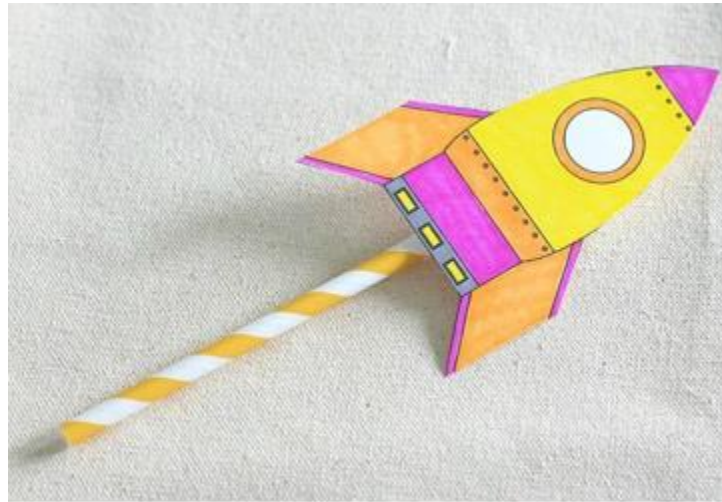

School Age

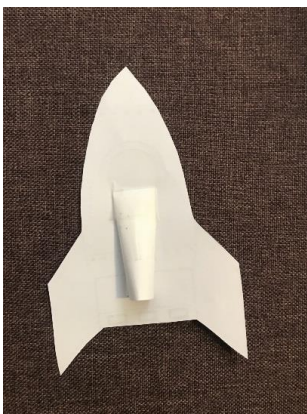

15+ Minutes

1+ People

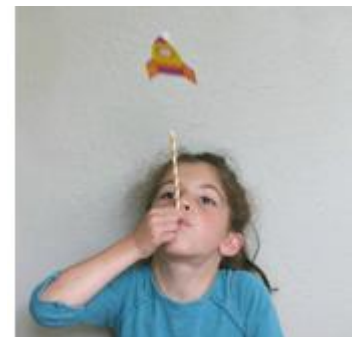

1. Color, decorate, and cut out the rocket on the next page
2. Using the scraps from cutting out your rocket, create a loose pocket at the end of your straw
3. Tape the pocket to the back of your rocket

4. Insert your straw, aim up, and blow. Watch your rocket soar!
