DEAR FRIENDS AND SUPPORTERS,

I truly enjoy the moments throughout a given year when we can reflect on the accomplishments at The Painted Turtle. I'm constantly amazed at what we celebrated, overcame, and achieved to support the thousands of campers with serious illnesses and their family members that we serve each year. Last year was no different, and it came with new adventures, unique challenges, and incredible milestones. When The Painted Turtle is needed most, our community's support in time, talent, and treasure bring a vital reassurance that our mission can and will sustain any circumstance.

In addition to hosting virtual programs in 2021, we were delighted to invite campers and their families to limited in-person days at Camp and Camp on the Move: Parking Lot Party and Home Edition programs. The Painted Turtle programs continue to be well received, and families eagerly returned to The Painted Turtle in whatever way activities were offered. Between our virtual, onsite, and Outpost (hospital) programs, we served over 29,500 children and family members – an increase of 14,000 more than were served in 2020. Thank you for helping grow our reach and ensuring that The Painted Turtle experiences are always free of charge.

Spring of 2021 also began our 18th year of operations. Although it looked different than our first year in 2004, The Painted Turtle programs continued to thrive and shine a light on the exceptional campers, caregivers, and siblings we serve every year. As 2021 came to a close, and we exhausted our bodies from singing and dancing "Ice Cream & Cake," a popular Painted Turtle dance, the cherry on top was reaching the milestone of serving 100,000 since opening our gates.

This remarkable achievement was celebrated with gratitude for each camper, family member, founder, board member, donor, volunteer, and staff member who contributed to bringing joy, laughter, connection, and confidence.

With the support of The Painted Turtle community, the magic of Camp reaches far beyond our front gates and touches the hearts of thousands of children and families throughout California, across the country, and even the world. Thank you for being a part of The Painted Turtle family. We are truly honored.

With Gratitude,

JB

Chris Butler
Chief Executive Officer

PROGRAMS THAT CONNECTED OUR CAMP FAMILY

Our 2021 programs connected campers with serious illnesses and their families to the magic of The Painted Turtle – at Camp, at Home, in their communities, and in hospitals. We broadened our reach and inclusivity with 29,517 camp experiences rooted in our “challenge by choice” philosophy. Through empowering activities that promoted independence, built self-confidence, and connected campers and caregivers with our larger Painted Turtle family of support, our campers got to be kids when they needed it most.

101

IN-PERSON CAMPER EXPERIENCES

We safely returned to in-person programs with three Family Days in the summer and a Family Overnight Retreat in the fall. Families rotated through activities that included archery, arts and crafts, discovery, fishing, swimming, and woodshop – all in a socially distanced manner.

354

ON THE MOVE CAMPER EXPERIENCES

Camp on the Move was our innovative response to reach campers where they were and foster deeper connections. Counselors and volunteers packed up Painted Turtle vans with games, crafts, and camp spirit, taking the magic of The Painted Turtle on the road.

3,305

AT HOME CAMPER EXPERIENCES

We expanded our virtual Camp at Home program in 2021 with two Family Weekends, six Camp at Home Summer Sessions and a Cabin Chat Series. These engaging and interactive in-home camp experiences brought the whole family together for Painted Turtle favorites like no-hands spaghetti and a virtual campfire! Who knew that online Camp could be so much fun?

25,757

IN HOSPITAL CAMPER EXPERIENCES

Our Outpost Program delivered the joy of The Painted Turtle to 22 hospitals and clinics across California in 2021, reaching 25,757 children and caregivers. We hosted 442 virtual playroom experiences that brought the magic of The Painted Turtle to children and families during their hospital stays. We also partnered with Child Life Specialists to provide activity bag supplies.

VIRTUAL PLAYROOM MAGIC MOMENT

“Most of our virtual playroom sessions were about an hour-long, but we had one that was almost 2 hours because the three girls that joined were having so much fun. They were all about the same age and enjoyed each other’s company, crafting, and playing games. Nobody wanted to sign off so we just kept going! One even said, “you’re in this hospital too?” What a great opportunity we had to continue fostering relationships between campers this year, even over the computer screen.”

– Teresa Molello, Hospital Outreach Manager

FAMILY FEATURE

“The Painted Turtle has these far-reaching connections that helped us find our way through this medical journey.”

– The Fitzpatrick family

The Fitzpatrick family has been coming to The Painted Turtle since 2018 and has experienced nearly every program we offer. Over the years, The Painted Turtle has played an important role in their lives.

Parents Kelly and Robert Fitzpatrick have led a life of service volunteering in orphanages in China and on missions in Mexico. While in China, they served as the directors of a camp for children with special needs who do not have parents. Through this work, they met and eventually adopted their son Bryan just shy of his sixth birthday. At birth, Bryan was diagnosed with diastematomyelia. Diastematomyelia is a condition where the spinal cord is split in the lower back area. This split in the cord can cause weakness in the legs, loss of muscle strength, scoliosis, lower back pain, and difficulties with bowel and bladder control.

During his first Painted Turtle experience, Bryan fell in love with archery and reveled in the freedom to pick which activities he wanted to do. He adored his camp counselors and found joy in “potty parties” where he didn’t feel embarrassed about catheterizing. The following spring, the Fitzpatricks attended a Family Weekend so they could all share in Bryan’s newfound joy. They connected to a community that would help them navigate the landscape of raising and caring for a child with severe special needs and they met someone who would significantly improve Bryan’s day-to-day physical struggles. During the Caregivers Support Session, Dr. Bryan Hanak, a volunteer from Loma Linda University Children’s Hospital, was fielding questions about spina bifida when Kelly shared Bryan’s rare situation. After the session, Dr. Hanak offered to perform a surgery to untether, (remove attachments like scar tissue) Bryan’s spinal cord. This procedure can alleviate pain, restore sensation and strengthen movement in the lower extremities, which improves bowel and bladder control. Today, Bryan is completely untethered for the first time in his life.

During the pandemic, Bryan benefited from The Painted Turtle’s online programming bringing him social opportunities he was missing. The Fitzpatricks also experienced Camp on the Move: Home Edition, where The Painted Turtle came to their house and set up a party on the lawn with crafts, games, and camp dances. When it came time to return in-person, Bryan was elated!

We are so fortunate to have the Fitzpatricks as part of our Painted Turtle family. Somos Familia!

CORPORATE & FOUNDATION SPOTLIGHT

What started as an employee volunteer opportunity during the in-person Fall 2019 Family Weekend for campers with kidney disease and transplants has grown into a beautiful partnership. The Thermo Fisher team led exciting STEM activities for campers while their world-renowned experts answered families' questions regarding HLA typing, antibody detection, and more. Nicole Brockway, President of the Transplant Diagnostics Division, and her team quickly fell in love with The Painted Turtle's mission and campers. We were delighted to welcome Nicole to The Painted Turtle's Board of Directors in 2021, and thanks to her leadership, Thermo Fisher provided Camp's COVID-19 testing, ultimately helping us return to onsite programs.

A CELEBRATION OF INCREDIBLE GENEROSITY: THE MARGIE & ROBERT E. PETERSEN FOUNDATION

Margie and Robert Petersen founded The Margie & Robert E. Petersen Foundation in 1997 with a focus on child-centered missions. Their generosity and commitment to The Painted Turtle began the year Camp opened in 2004 and was steadfast over 17 years. Robert sadly passed away in 2007, followed by Margie in 2011, but the Foundation's work continued with the oversight and leadership of Gigi Schubeck, Robert's long-time assistant, and Foundation Trustees Ted Calleton, Kevin Strauch, and Jeff De Francisco.

The legacy of Margie and Robert echoes throughout The Painted Turtle as the Foundation made commitments to help Camp recover from the Powerhouse Fire in 2013, fund and endow medical supplies, camperships, and The Painted Turtle's hospital outreach program, Outpost. Most recently, the Foundation committed to fund the building of a wheelchair-accessible Tree House – a space that Gigi said would honor Margie and Robert's two sons, Bobby and Richie, who they lost at a young age. We look forward to this new addition soon.

We are forever grateful to the Margie and Robert E. Petersen Foundation for their unwavering dedication to children with serious illnesses and their families so that The Painted Turtle is always free of charge. The Foundation officially closed its doors in 2021, but the camper joy, laughter, independence, and connections made at The Painted Turtle will only multiply in perpetuity thanks to their kindness, selflessness, and understanding of how important it is to just be a kid.

CAMP-A-THON

WE ARE FAMILY

SOMOS FAMILIA

In 2021, Camp-A-Thon warmed our hearts, lifted our spirits, and raised funds as we celebrated The Painted Turtle Camp family. We gathered around the virtual campfire with long-time Painted Turtle supporter and host George Lopez, and special celebrity guests Reeve Carney, Brett Dennen, Michael Cooper, Danny DeVito, Daryl Hannah, Jaime Jarrín, Carole King, Los Lobos, Cheech Marin, Eva Noblezada, Rob Pelinka, Fernando Valenzuela, and Neil Young.

Former campers, volunteers, board members, health partners, and community members shared why they are a part of The Painted Turtle Family and what The Painted Turtle means to them. A highlight was Danny DeVito leading Cabin Chat, an engaging ice-breaker activity where campers ask and answer questions from silly to serious.

Thank you to our sponsors, matching gift contributors, donors, fundraisers, and friends for making the fundraiser a success in supporting virtual and onsite programs.

The Painted Turtle's imagine VIRTUAL (CHALLENGE)

Run · Walk · Roll · Ride

The Imagine Challenge returned in 2021 on the heels of a successful turnout in 2020. With equal parts action and gusto, The Painted Turtle supporters came together and accepted the Challenge by dancing, biking, walking, or rolling to support continued virtual programs and the return to onsite programs.

The Painted Turtle community exceeded our fundraising goal, enabling more than 175 campers and families to experience the magic of The Painted Turtle.

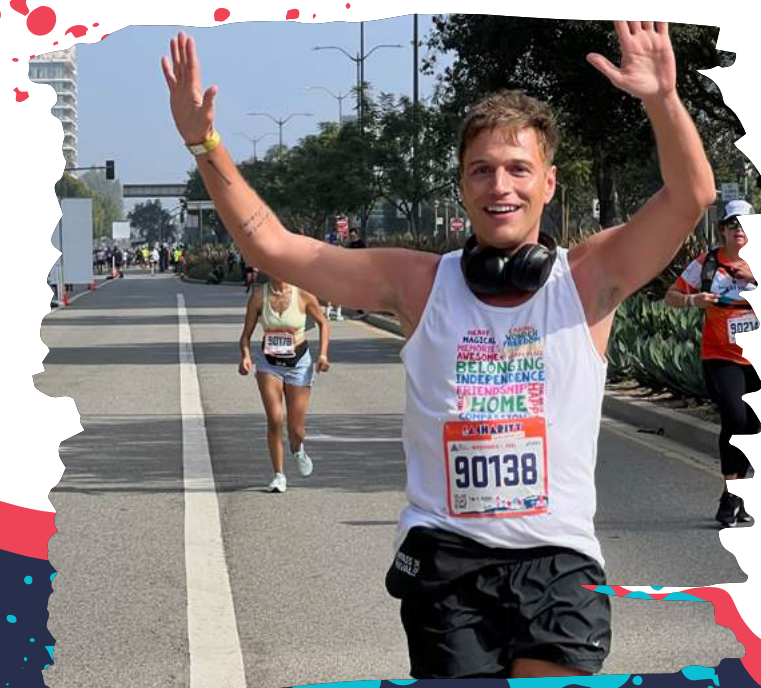

This virtual event showcased the love and generosity of our Camp family and the power of joy that fuels our programs.

REAL & LASTING IMPACT

THE LASTING IMPACT OF CAMP STUDY

The results of a first-of-its-kind study done by American Institutes of Research revealed exactly why The Painted Turtle takes fun so seriously: because everything we do, from the environments we create to the communities we foster, has the potential to change lives.

The Lasting Impact of Camp Study included responses from more than 2,200 SeriousFun camp alumni aged 17-30 from all over the world, including nearly 200 former campers from The Painted Turtle. These campers, now adults, shared how the SeriousFun experience helped shape their lives and what elements of the experience were most influential. We are so grateful and proud that they continue to be a part of the SeriousFun and The Painted Turtle camp family!
