

Photo & Video Help and Ideas for Slideshow

At the end of each Camp at Home session, we like to close out the weekend with a slideshow to look back at all the amazing things we did while at “Camp” Ideally, we would like to show a few photos from each family. In order to do that, we need your help by taking and sending photos to us. A link to the slideshow will be sent to your family so you can re-visit your time at Camp anytime you like!

- Submit all photos and/or videos to: photo@thepaintedturtle.org
- Please DO NOT send to any other email addresses you may have
- Have your camera in landscape position (see below) when photo and/or videos

- In the Subject Line of the email please use the registered family’s last name
- We would love 5-10 second video clips of family participating in activities etc.
- When submitting videos for Stage Day be sure to enter STAGE DAY and the family last name in the subject line. Note: Please limit video time to 2 minutes

Photo Ideas

1. Opening the package sent to you by The Painted Turtle
